FOUNTAIN DELIGHTS

Chocolate fountains are a superb centrepiece for any event whether big or small. An alternative to a wedding cake, a surprise for a chocolate-lover's leaving do, or simply a treat for all your hard-working staff at the company party! Thick pure melted Belgian chocolate pours from the fountain endlessly throughout the evening, with a choice of delicious dippers such as strawberries, 4 flavours of devon fudge (clotted cream, malteser, rum & raisin, marzipan), pink & white marshmallows, mini doughnuts, exotic fruits, or Christmas dippers: bite sized Christmas, spicy gingerbread men, glazed orange segments, crystallized ginger and festive fudge. We can also theme the dippers to match the theme of your party. To add an extra element of festive fun to your fountain, why not have an intoxicating liqueur running through the chocolate; choose from Cointreau, Rum, Amaretto, or your favourite cocktail... You can add a chocolate fountain to any of our cruise events for a unique and decadent talking point!
